

ShannieMakes: DUCKBILL FACE MASK FOR USE WITH FILTER

Size: Large Adults

Scale 4cm

The mask is not recommended to use on babies or toddlers.

This face mask was designed with affordability, washability and reusability in mind. This is not a medical/surgical grade face mask, but it is good enough to protect the face from dust particles and some odours. You can use a medical/surgical grade mask with this for extra protection.

Large Elastic Cord 2x 23cm
