

# ShannieMakes: HORIZONTAL DUCKBILL MASK, 5 SIZES

**The mask is not recommended to use on babies or toddlers.**

This face mask was designed with affordability, washability and reusability in mind. This is not a medical/surgical grade face mask, but it is good enough to protect the face from dust particles and some odours. You can use a medical/surgical grade mask with this for extra protection.

EAR LOOP ELASTIC LENGTH  
EXTRA SMALL 2x18cm (7 inches)  
SMALL 2x18cm (7 inches)  
MEDIUM 2x21cm (8 inches)  
LARGE 2x23cm (9 inches)  
EXTRA LARGE 2x23-25cm (9-9.8 inches)  
XX LARGE 2x23-25cm (9-9.8 inches)

The above measurements are only rough estimates because it depends on the brand, composition and make of elastic you are using. Ideally measure before cutting to length.

1x Optional Nose Bar.  
Adults require roughly 9 cm/3.5 inches long. Child nose bars are roughly 8.5cm/3 inches or use what is already pre-cut.

Adapt this length to the length of the nose bar you have. Make it slightly longer than the nose bar to prevent it rubbing on the skin.
